H

- **Held open**: A status in which the **door** has remained open longer than maximum set time. Can trigger an **alarm**.
- **HTTP**: Short for Hypertext Transfer Protocol, this term refers to the protocol whereby a web client and a web server exchange data via a web browser.
- **HTTPS**: Short for Hypertext Transfer Protocol over Secure Sockets Layer. This term refers to a protocol that provides enhanced security compared to **HTTP**. All data transmitted and received through HTTPS is encrypted, so HTTPS provides better security than HTTP.
