## Version 2.6.1 (V2.6.1.10)

### Release

2018-05-15

### Bug fixes

1. Issue where it is not possible to sync new logs to Time Attendance and Video when using MSSQL.
2. Execution time error when upgrading version 2.4.1 > 2.5 > 2.6.
3. A change has been made so that moving is possible only when upgrading to a new version and the version of existing BioStar 2 is 2.5.
