System Configuration, BioStar 2

Improved Smart Card Layout Settings

Affected Version: BioStar 2.9.4 and above

With the new feature [Custom Smart Card] layout added in BioStar 2 Version 2.9.4, there are a few changes and improvements made throughout the [Smart Card] layout as well.

Smart Card Layout Settings for BioStar 2 Version 2.9.3 and below did not separately show (mark) the required field for Smart Card Layout.

With BioStar 2 Version 2.9.4, the smart card settings layout displays the required (mandatory) field value.

[Before] BioStar 2 Version 2.9.3 and below
