## How to make a backup of MSSQL database

You can back up the BioStar database on Microsoft SQL Server Management Studio Express. You can download it at <http://www.microsoft.com/en-US/download/details.aspx?id=8961>.

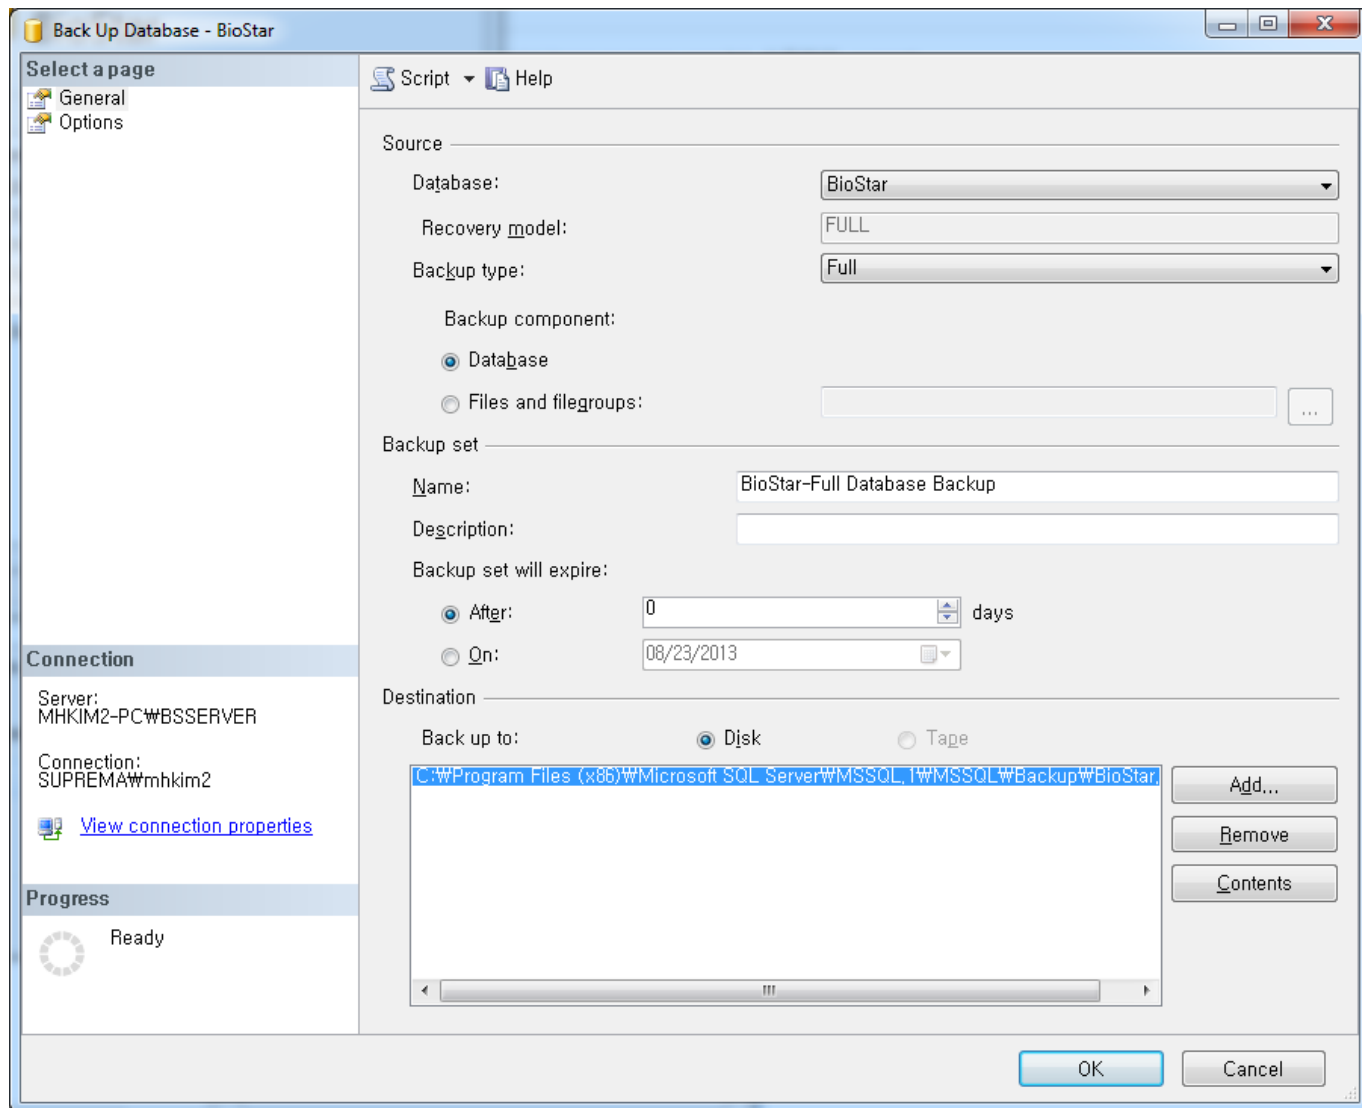

1. Connect to your database server.

2. Find the **BioStar** database and right-click it. Choose **Task > Back up....**

3. Click **OK** to complete the backup process.
