Supports Wiegand Devices as a TA management Device

Biotar 2 can add a wiegand reader under the connected BioStar 2 devices. From BioStar 2 v2.8.5, you can add Wiegand devices as a TA device in BioStar 2 TA Registered device list.

- Wiegand devices in Biostar 2 device menu

The screenshot shows the BioStar 2 web interface. The left sidebar has a 'DEVICE' menu. The main area shows a list of devices under the heading 'All Devices'. The list has columns for 'Device ID' and 'Name'. Two 'Wiegand Reader 0' entries are highlighted with red boxes.
