The image shows a dialog box titled 'Activate License Offline'. It has a close button (X) in the top right corner. The dialog contains a form with the following fields: 'Product' (set to 'Standard'), 'Name' (empty text box), and 'Activation Key' (empty text box). Below the form, there are three numbered instructions. At the bottom, there is a 'Download' button.

Activate License Offline X

- **Product** Standard
- **Name**
- **Activation Key**

1. Enter your company name and activation key.
* If you don't have an activation key, just enter your company name.

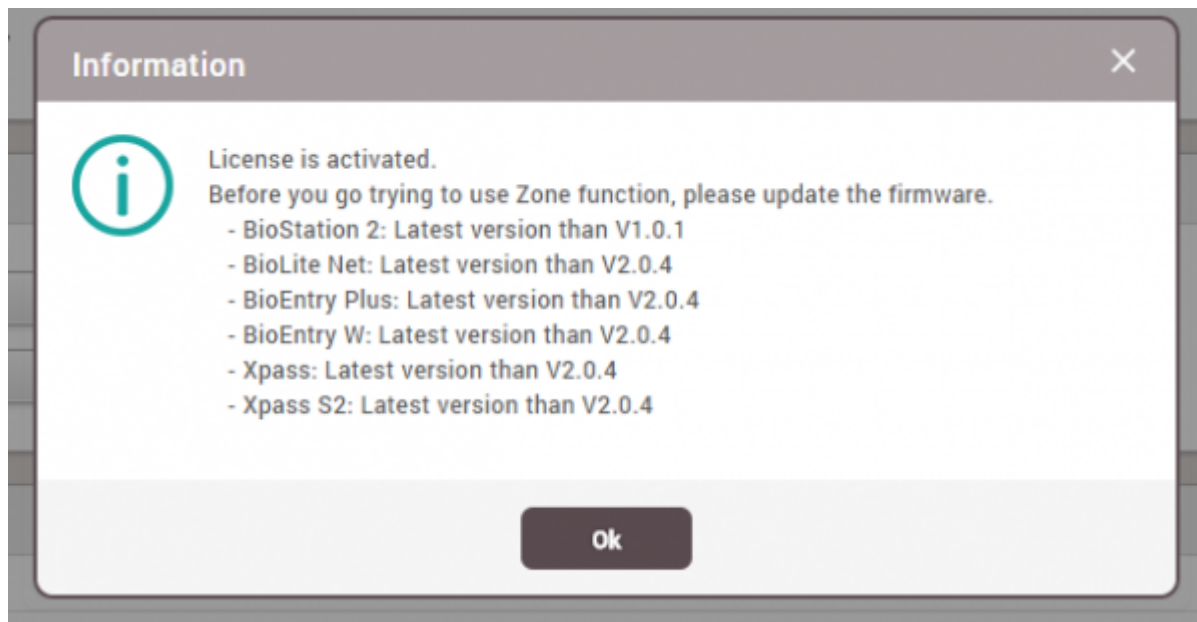

2. Click **Download** to download the license request file (*.req) and then send it to your local distributor.

3. When you get the license file (.lic) from your local distributor, click **Activate** and then upload the license file.
